Fall 2018

**Are you looking for a dynamic and immersive way to meet curricular objectives in Social Studies, History and/or Geography this school year?**

The *Kingston Regional Heritage Fair* is the oldest heritage fair in Ontario (almost a quarter of a century!) and one of over 100 similar fairs in Canada. Our research project showcase and interactive workshops are educational, fun, and explicitly designed to reinforce the goals of the Ontario curriculum!

The theme of our 24<sup>th</sup> Annual Fair is: ***“Investigating Heritage: Events, Spaces, and People”***.

We look forward to your involvement in promoting Canada's heritage, and to the excitement and enthusiasm which your students bring to our fair every year.

Thank you so much for this amazing opportunity. I really appreciate it. I had so much fun and I learned a lot. I enjoyed every second of the fair. I loved the different activities and they were all super fun. Heritage Fair has taught me a lot about presenting, showing and talking under pressure which is a good skill to have. It was a great experience and I am thankful that you arranged it. Heritage Fair has given me a lot of skills and memories and I look forward to doing it again next year.
